## MEDICAL CERTIFICATE / DIAGNOSIS SUMMARY

| | |
|---|---|
| **Date:** | 01-02-2026 |
| **Patient Name:** | Gollapati Jesse Jasper |
| **Age/Sex:** | 21 Years / Male |
| **UHID / Reg No:** | AVZ-100459-26 |

### TO WHOMSOEVER IT MAY CONCERN

This is to certify that **Gollapati Jesse Jasper** is under my medical supervision at **Apollo Hospitals, Vizag** for the treatment of **Critical Cardiovascular Disease** requiring specialized surgical intervention.

### Clinical Findings:

The patient was diagnosed on **01-02-2026** following clinical evaluations including Echocardiography, Coronary Angiography, and comprehensive cardiac workup. The condition is currently characterized by complex structural abnormalities requiring urgent Cardiothoracic & Vascular surgical correction.

### Recommended Treatment Plan:

In my professional opinion, the patient urgently requires **Open Heart Surgical Correction / CTVS Intervention**. Delay in treatment may lead to life-threatening complications, including acute heart failure or irreversible cardiac damage.

### Estimated Duration:

The anticipated course of treatment, including surgery and post-operative critical care recovery, is approximately **6 months**.

### Financial Assistance Recommendation:

The estimated cost for the aforementioned treatment is detailed in the attached Cost Estimate Sheet. Given the financial constraints of the family, any assistance provided for this patient's care is highly recommended to ensure timely medical intervention.

*This document is issued based on the clinical records available at the time of examination. All results are subject to clinical interpretation.*
